## OBEDIENCE TRAINING

Dog Days Doggie Daycare & Boarding, LLC in partnership with Arizona Partnership K-9 Academy is pleased to offer basic obedience level, intermediate obedience level, and advance off-lead level training classes at our facility located at 218 W Vaughn Street in Tempe Arizona.

The goal of Arizona Partnership K-9 Academy™ training programs is to develop a well-trained K-9 that will provide you and your family a life long content companion. It is never too early or too late to begin an obedience-training program. After a few sessions you'll notice an immediate improvement in your dog's confidence and behavior.

## CLASS INFORMATION

Our methodology incorporates positive reinforcement based canine training while establishing you as the Alpha in charge. Based on Alpha principles and as benevolent leaders we never use treats, clickers, or pain avoidance (e.g. pinch collars, shock collars, or prong collars) techniques in our training programs. We teach best practice behavior modification and training techniques while preaching the three C's; Calm, Confidence, and Consistency when interacting with our canines. Training should be more than just teaching your dog to do "tricks" on command and is necessary to create a safe, respectful pack within your home. While this is a group class, we will be able to tackle any issues that arise as we limit class size and will have 2 certified trainers on hand.

## TRAINING WILL INCLUDE

- FIVE 1.5 hour training sessions for a total of 8hrs.
- 2 Certified Trainers at EACH SESSION
- "The Dog Redeemer" Book written by our Trainer, John Sievila

Class size is limited for availability and class registration please contact Dog Days Doggie Day Care & Boarding Facility @ 480-894-8400 or [info@dogdaystempe.com](mailto:info@dogdaystempe.com).
